

SKYSPAN Umbrellas

SUNSET RANGE

Centre Mast Retractable Static Umbrellas

The Skyspan Retractable Umbrellas are engineered and manufactured in Australia using state of the art materials to give strength, elegance and durability.

The Retractable Umbrella range has been wind rated by engineers enduring up to 75 mph (K33) when erect and 93 mph (W141) when retracted.

After many years of engineering and endurance testing, Skyspan offers an umbrella that will surpass all expectations.

Please Note:

Portables are wind rated to 60 mph Fabric used on portables is GL 1000 Fabric used on all other umbrellas is Ferrari 502S
