

VISTA RANGE

Cantilever Retractable Static Umbrellas

The Skyspan Cantilever Umbrellas are engineered and manufactured in Australia using state of the art materials to give strength, elegance and durability.

Structural grade steel frames, combined with the aluminium arms and winding mechanism with translucent architectural grade PVDF skins, offers a unique umbrella suitable for the harshest weather conditions.

The Cantilever Umbrella range is wind rated by engineers up to 120 kph (W33).

Special Features

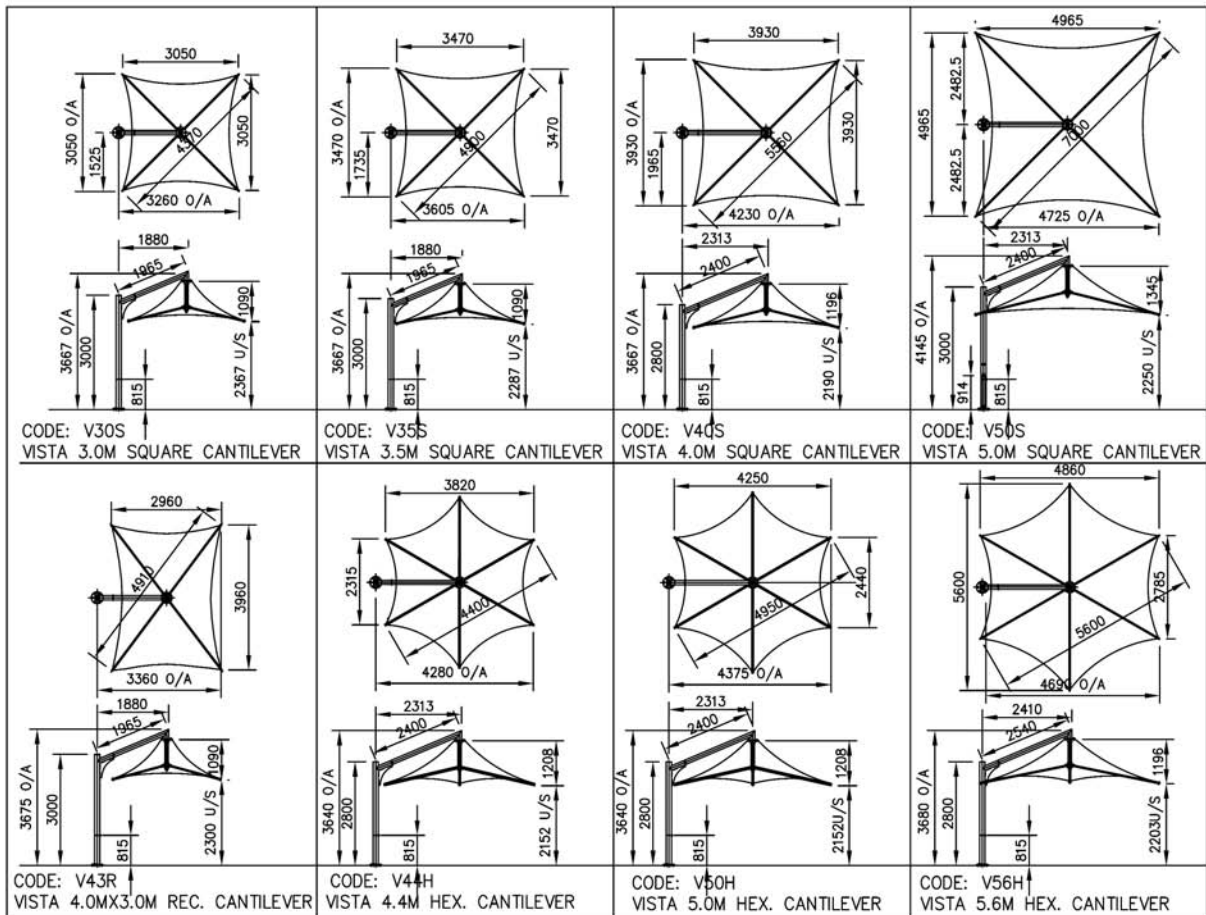

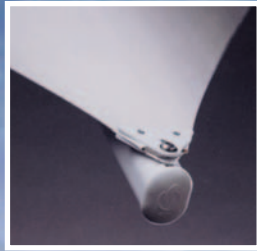

- Low maintenance, heat reflective, UV treated, fully welded membrane.
- Stainless steel edge cable for even tension of roof material.
- Structural grade steel frame mast and cantilever arm, Hot dipped Galvernised and then powder coated.
- Arms and winding mechanism are aluminium.
- Retractable winding mechanism allowing for the arms to collapse in extreme weather.
- Optional internal lighting and clear drop curtains.
- 5 year warranty on the frame.
- 2 year warranty on the canopy.
- 360 degree swivel base available.
